WORK EXPERIENCE

SMG

Software Engineer Intern

May 2022 – August 2022

- Use tools, languages, coding standards and best practices to develop new product features and maintain year over year product functionality and enhancements, create and execute unit tests, and address defects

University of Missouri – Kansas City (UMKC)

School of Computer and Engineer Ambassador

August 2021 – May 2022

- Led student visits, campus tours, served on panels, and participated in other activities that support student engagement and recruitment

Evergy

Cyber Security Intern

May 2021 – December 2021

- Monitored and responded to security events using various cybersecurity tools, applied patches, updated operating system, performed tape rotation for backup, monitored event logs for SIEM and NIDS, updated anti-virus tools periodically, performed vulnerability scan, and wireless walkdown

VOLUNTEER EXPERIENCE

Society of Women Engineer at UMKC

Secretary

May 2021 – May 2022

- Maintained official records of meetings, notified all members of meetings, handled the correspondence and kept records of it, prepared organization's calendar of events, maintained a roster of officers and other board members, and maintained complete and up-to-date copies of the club's bylaws and other organizational documents

Phi Theta Kappa Honor Society at MCKC

Public Relations Officer & Campaign Manager

January 2020 – May 2020

- Promoted Phi Theta Kappa at all levels of the organization by setting information tables on campus, engaging in social media, monitoring emails, organizing volunteer work opportunities, and creating monthly newsletter
- Assisted international officer candidate with the calendar, due dates, speech, preparation for the campaign, and reviewed campaign rules

Recording Officer & Research Team

August 2019 – December 2019

- Recorded and presented minutes at each chapter meeting, kept records and documentation of all chapter activities, and maintained a monthly newsletter
- Designed, organized, and implemented a plan of action to help students feel more productive by having a simple morning routine that is feasible, quick, and beneficial
